

MOKSHA PATTAM

PRAYER FOR SELF

Note: Place the Object & Dice on the square of cosmic consequences.

Thank you so much for coming into my life.

Kindly help me trace my (his/her) journey and make better choices in my life (his/her) life to reach my (his/her) goals.

I am doing the soul journey reading for myself (his/her), So divine Please help me, guide me, (his/her) and show me right path and give me (his/her) the true guidance.

Please tell me and show me what is there for me (his/her) in divine and not what I want (he/she) want to see.

Show me (his/her) the path and give me (his/her) the guidance which I (he/she) need today and take away all me (his/her) confusion which are clouding my (his/her) vision.

I give my gratitude to the universe, To my teacher for bringing this divine board to me.

Thank You, Thank You, Thank You.

I declare this object belongs to me (if other person then their name).

Place the dice on the first box (Genesis Box)

His/Her (The particular name of the person for whom you are doing this prayer, eg : If the prayer is for you then your name.

AGE DECLARATION:

Take the object place on the forehead and declare that object belongs to me (mention your name if any other that their name). Now take the dice and place it on your forehead and do the age declaration. And I declare that each dot in the dice equals two years of my age (if it's for other person then their age).

AND FINALLY DISCONNECTING.

Do the cord Cutting

To Ask question (Now you have to frame the questions as you have already go it)

Close Your eye and question. Now point finger on Board after rolling the finger on the board

Start Playing with a finger and where your institution says stops, stops there.

Now take the dice and shuffle it (Do this three times) and finally what finger has shown, the dice shows the same.

The object should be placed in the cosmic consequences before we start and then close your eyes and declare that I will shuffle the dice Thrice.

And multiply it with 2.

If it shows the box is negative then you cannot proceed further, If it shows the box is positive then you can proceed further.
